Stated meetings 2nd Wednesday Except July and August

Greetings,

After a long and cold January, we're finally on the downhill side of winter and spring training starts next week. We had planned to do a Fellowcraft Degree at the February stated but, thanks to COVID, not being able to have any good rehearsals, and some people having a lot to learn (mostly me) we will try again to do it in March. So, instead thereof, our very own DDGEO, RW Timothy Stickney, will have an open discussion on Masonry.

As an extra enticement, Worshipful Brother Bruce Blye will be preparing a delicious dinner for us that will be served at 6:30pm and Lodge will be opened in the Entered Apprentice degree. So let's see all of our EA's this month!

As always, if anyone knows of a sick or distressed brother, his widow, or orphans, please let an officer know.

Stay warm and we'll see you on the 9th.

Mike Moore, PM
Worshipful Master

Grand Lodge Annual Town Hall Events

NH Masonic License Plates

The State of New Hampshire has allowed the Grand Lodge of New Hampshire to obtain specialty Decal License Plates to display the Masonic Square & Compasses on the plate. Please see the special communication found on Grand View or contact our secretary, Tim Stickney, for information on how to initiate the process to have decals added to your plates.

Fellow Craft Workshop

The Grand Lodge Education Committee is proud to present a Fellow Craft Workshop to be held at the Blazing Star-Eureka Lodge at 53 Iron Works Road, Concord on Saturday, February 19, 2022, from 9:00am to 12:30pm. This is a dress casual event intended for both Fellow Crafts and Master Masons alike. The program provides more context around what actually happens during the Fellow Craft Degree; the 7 liberal arts and sciences, why the degree is one of the keys to your Masonic journey; and how the degree prepares Fellow Crafts for their next step in Masonry.

The Workshop is free but an RSVP is requested by simply sending an email to the Grand Education Officer, David Akridge at GEO@nhgrandlodge.org or Deputy Grand Education Officer Malcolm Wooff at DGEO@nhgrandlodge.org.
