FROM THE EAST

Greetings Brethren,

We had a great first meeting as we came out of darkness, I look forward to seeing you all quite a few more times as we head into an eventful part of our year.

Thank you to the OES Chapter of James Farrington-Pleiades #7 who cooked and served a delicious meal of Chicken Supreme. I'm sure it warms my Grandfather's heart to know his recipes are still used to satisfy the Brethren.

I'd like to thank our newest members for joining us at the September Stated. In June when they were initiated, we were not able to give them the EA History, so it was an excellent opportunity to make that correction. Bro. Trevor Prescott and Bro. Anthony Vittorioso performed the lecture and I am not alone in saying that they did a remarkable job!

October 3rd will be our Stated Communication and we will have what I expect to be a very educational EA Program put on by our DDGEO Right Worshipful Bro. Tim Stickney. All Masons are encouraged to attend this meeting and program.

Our Official Inspection this year will be on Monday, October 17th. We will be performing the Master Mason Degree for this inspection, Dinner at 6:30 PM and Lodge opening at 7:30 PM.

October ends in the usual fashion with the return of our Annual Haunted Ladies at the Table! The hype is real, this will be a can't-miss event. Doors open at 5:00 PM on October 29th, more details in this Trestleboard.

Looking ahead to November, our Stated Communication on Nov 7th will also be our annual Military Veterans Program along with a POW/MIA recognition service. This program will be hosted by Wor. Steve Wawrzkiwicz with the assistance of the Lodge officers. The program will be open to all active duty and veteran Servicemen/Servicewomen and their families. For more details, you are welcome to contact Wor. Bro. Steve W at (603) 332-1427 or email at scroller65@yahoo.com

West Words

Greetings from the West, Brethren,

Time waits for no man is such a true statement. Here we are going in to our second month since coming out of darkness and what a full schedule we have in front of us. The details as well as dates will be posted on the calendar for all to see.

Our two EA candidates are progressing nicely with their study of the EA lesson and will be more than happy to get them moved up to FC once the calendar slows a bit after the 1st of the new year. I am looking forward to seeing another candidate join the ranks in the study group as we could be having an EA degree for a candidate in the upcoming months.

The Kara's committee (small social group started by some of the junior members of the lodge) should be starting to gather again soon and I'm hoping to join them a little more often to encourage the fellowship and show there is more than just stated meetings that Brothers have in common. I would like to see this type of activity grow and am will if any Brothers wish to gather for a bite to eat or a refreshment outside of lodge.

Last note we have started a group to give more attention to the Special Ladies associated with our Lodge. Humane has always included them in our thoughts and sent flowers on special occasions but would like to do more. If you have ideas, please send them to the Junior Warden so he can get some action plan in place to accomplish this.

Until we meet on the level again Brothers take care and be well.

Fraternally yours,

Fraternally yours,

Marc Auclair
Senior Warden
